The Southwest Chapter SCI funding requirements.

1. For every one thousand dollars our chapter donates to your organization, we require one member of your organization to be a National and Chapter SCI member for a minimum of three years. Also we require 6 labor hour per thousand. For example, two people volunteer for 1 hour, it equals 2 labor hours.

Example: \$5,000 donation will require 5 members of your organization to be a National and SWMT Chapter SCI member for 3 years. If you aren't a current member you can get a membership from our website. Funding can be approved before membership, but funds won't be let until the membership requirement is reached and confirmed.

If you don't have enough members you can have them sign up at www.scimontana.com and then click on the BECOME A MEMBER button.
